

Jack Needs a Home!

Young male German Shepard needs a great home. Jack is 7-8 months old. He is a neutered male. Very gentle and smart. Gets along with other dogs. Lovely personality. Crate trained and potty trained. Jack is in good health. Must be an indoor dog.

Jack currently lives in Pebble Beach, California with his foster family. He was rescued in Decemer 2008 and will remain in the care of the foster family until he is placed in a loving and caring home.
